To Mark;

On behalf of all of us at 95.3 K-ROCK, we would like to thank you for all of your help in the past few months. You were the production 'wizard', the computer 'guru', and you did anything and everything you were asked. It is quite safe for me to say you were by far the best intern I have ever had the opportunity to work with.

You have proven that you have the aptitude and the drive to excel in the broadcast industry. All of us at K-ROCK wish you the very best in your future broadcasting career, and I trust our paths will cross again. Again, thank you Mark. It has been a pleasure to work with you.

Sincerely,
